

George Mason University, in accordance with section §23.1-307.D. of the Code of Virginia, provides notice that the George Mason University Board of Visitors will meet on Thursday, May 2nd, 2019 in Alan and Sally Merten Hall room 1201 (for additional meeting details, please review the following website before the meeting (<https://bov.gmu.edu/meeting-minutes/>), to review the university's revenues and expenditures for fiscal year 2020. The Board of Visitors will consider a tuition and mandatory fee strategy to address annual expense increases and support the university's strategic plan.

The summary below provides the potential changes in undergraduate and graduate tuition and mandatory fees. Final decisions may be influenced by the outcome of the General Assembly session when total mandated costs and the level of state support are known.

The following proposal for tuition and Educational and General (E&G) fees as well as student fee adjustments will be considered by the Board of Visitors. These ranges reflect the university's continued efforts to minimize tuition and fee increases:

- For all undergraduate students (resident and nonresident):
 - Tuition and E&G Fees 0%
 - Student Fees 3% to 4%
- For all graduate students (resident and nonresident):
 - Tuition and E&G Fees 3% to 4%
 - Student Fees 3% to 4%
- For all law students (resident and nonresident):
 - Tuition and E&G Fees 0%
 - Student Fees 0%

George Mason University provides an excellent education and value for all of our students. The board will consider a combination of tuition and fee adjustments to address investment in academic programs including faculty personnel, enhancing high demand student support services, and address escalating fixed costs. In addition, the university will utilize student Fee resources to address increasing demand for university life and student services. Further, to advance the affordability of a George Mason University education, the university continues to work on expanding and increasing student financial aid programs that are critical to providing an affordable education for all Virginians.
